

INSPECTOR'S WORKING PAPER: ACCOMPANIED SITE VISIT

Arrangements are to be made for accompanied site visits to be conducted on 2 February. Attention is drawn to paragraphs 43 and 44 of document X5.

This note sets out :

- 1 The first draft itinerary
- 2 A list of some of the locations previously visited by the Inspector.
- 3 Locations to which visits have been requested but not yet accepted by the Inspector.

Further requests, or further information to support requests already made and noted in (3), should be provided to the Programme Officer for her to receive by noon on 21 January. She will then prepare and issue the final itinerary for the day's visits.
